The Magic of Attraction

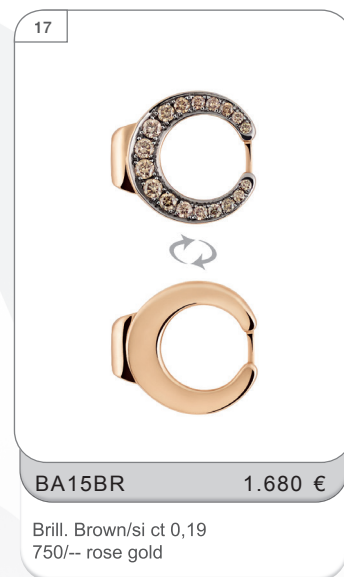

Some connections require no words. They simply happen – quietly, naturally, and with an inevitability that is impossible to resist. With the new “Attrae” jewelry pieces, AL CORO captures this exact moment of attraction, transforming it into unique creations that embrace the iconic forms of the MEZZALUNA series. “Attrae” stands for the power of attraction and brings this to life through a play of contrasts. Thanks to innovative magnetic clasps, individual MEZZALUNA elements and bands can be interchanged and combined for any occasion. This innovative design reimagines jewelry: whether worn as a bracelet or a necklace – here, perfected technology merges with aesthetics, diamonds with gemstones, and fine gold with sparkling accents. For a feeling that lasts.
